About the Homestead Wine Program

We believe in sourcing our wines in the same way we source our food; with a critical palate and with dining in mind. Most of our wines come from small production wineries and all of our wines focus on showcasing the best of what their respective regions have to offer. Over the past few years we have added many aged wines to our list. Wines noted with “***” are part of our library selection and are only available in very limited quantities. We maintain a diverse and ever changing list and we hope you enjoy our selections!

Corkage Policy

We are happy to allow you to bring in your own special bottles of wine. Our corkage is \$30.00 per 750ml bottle. We allow for a 2 bottle maximum, before the price increases to \$50.00 per 750ml bottle.
